Dear Above Noted Criminal Justice, Public Safety, and Human Rights Officials:

I write this criminal report affidavit regarding C. Boyden Gray, a regional killer, a eugenicist and a criminally senile 79-year-old criminal lawyer, who has been killing innocent and healthy people for too long without penalty. I write this affidavit with respect to the continuation of his killing programs without arrest, when such an arrest is urgently needed.

With respect to the above noted Bronx NY fire and gas killings, please see the attached exhibits 6- 25 which show steps in Regional Killer Boyden Gray Bronx regional killings via the below in writing and noted: Regional Killer Boyden Gray name aligned Con Ed plots. I seek an investigation and arrest of C. Boyden Gray for his manifested, replicated, and name aligned, Con Ed Plots, that have left several adults and children dead, when this could have been prevented. Please see the below Regional Killer Boyden Gray name aligned Con Ed Plots that have effectuated the above noted NYC unwarranted building fire and gas explosion assassinations and induced hospitalizations.

I seek the stoppage of Reginal Killer Boyden Gray continued assassinations and assassination programming of New Yorkers due to disabled criminal justice agents. I further seek the arrest of Regional Killer C. Boyden Gray for lodging induced fire devices, incendiaries in my building, 3230 Cruger Avenue, and in my home, in alleged brand-new furniture, and for programming/plotting the attached, exhibits 26-38, other multiple assassination programs, without penalty. His crimes and killing are in writing, picture form, and exemplified in the news, and the attached exhibits with evidence.

Regional Killer Boyden Gray is a deadly, sick, senile and demon possessed man, who has been killing innocent and healthy people for too long, without penalty. Please see the exhibits attached and reference section. This is an appeal, on behalf of public safety, to remove this regional killer psychopath away from further harming children, seniors, women, and other populations of people, he thinks he can kill, torture, disable and harm, and get away with.

He is the direct person programming the Bronx NY induced gas explosions and fire killings. He is using his name aligned military grade incendiaries, fire devices. He pays his satanic cult members and other criminals/hoodlums, felons, to plant his induce fire devices in his targeted buildings. He has used counterfeit law making to enjoin felons as third parties in his building level plotted gas explosions and incendiary induce building fires. Please see exhibit 16 mainly, but also exhibits 17-19. He has access to the military grade incendiaries via his long standing, no penalty, corruption and organized hate crimes and killing programming in the executive branch of government. Additionally, he recently constructed a defraud the United States infectious disease injection and bomb making laboratory. Please see exhibits 38-39.

The attached exhibits 6-39 show Regional Killer Boyden Gray induced building level gas explosions and fire atrocity, plots. He is programming the planting of unregulated, military grade, incendiaries, in targeted buildings, to induce gas explosions and building fires, to kill, induce hospitalize and disenfranchise targeted healthy people. The disenfranchisement, induced homelessness is done for his creation of easy prey for further eugenic assassination programming.

He criminally created the living/dead, organ supply for body brokers, and killed off half of the African and Haitian populations of people using his unregulated induced disaster programming/plotting's, using unsupervised, military grade explosives and incendiaries. Please see his unregulated body broker programming here:
Congress Moves to Regulate Body Brokers
https://nfda.org/news/media-center/nfda-news-releases/id/4162/congress-moves-to-regulate-body-brokers/fbclid/iwar3chvzajmxwtoyfe7njljzmugiowg3rkhdte66hj_r-och1gao9cojyvlk

Hence, he is well versed in regional, eugenic assassination programming and that is the creation of induced hospitalization populations of people, some to be killed in the hospital via his name aligned medical error hospital administration programming. See exhibit 37. Others will be criminally labeled dead while alive. This is his hospital programmed medical error undead creations. He is feeding unregulated body brokers with live organs from his programmed military grade explosives which maliciously effectuate plotted man-made disasters and atrocities. He is thereafter mentoring state and federal officials on how to get funds for manmade disasters, but funding is only for those willing, to replicate and triplicate the use of the money for his continued plotted killings.

He is programming his military grade incendiary induce regional gas explosion and fire killings for the state officials to apply for disaster relief money, that has to be used for more killing, just like he is using his attached name aligned Covid fraud money for more killings. In fact, his unsupervised Covid fraud money, is what is paying for his plotted and manifested regional incendiary induced fires and gas explosions. His Bronx regional incendiary induced gas explosions and fire killings are practice for his plotted state fires using his, unregulated, unsupervised, and easy access prepared military grade EXPLOSIVES/PYROTECHNICS. Please see exhibits 9,11, 13, 14, and 19.

He is using his military grade incendiaries, explosives and weapons to kill civilians, because he was never stopped from killing massively previously. Above all, he is using his induced man -made disasters and atrocities, to generate more undead creations, live people labeled dead. His incendiary smoke content has induced unresponsiveness capabilities, that's one set of his plotted undead creations. He has felons planted and prepared in the NYC fire departments to be transported all over to use his fire department created counterfeit respirator, to induce unresponsiveness and coma like status. That is another one of his plotted undead creations. Please see exhibits 16-18. His undead creations are used for his criminally senile and insane human landing system space exploration and SpaceX, unsupervised, human research scientific obstruction killing programs. Please see exhibits 21, 35-36.

Regional Killer Boden Gray has bomb throwers prepared for his plotted military grade explosive induced state fires. They are trained and disguised as crowd control managers. See exhibits 13 and 14. Their job is to make sure his programmed military EXPLOSIVES/PYROTECHNICSare in full force working condition and planted in his programmed/plotted regions.

Regional killer Boyden Gray has counterfeit fire law making ruling in NYS fire departments. See exhibit 12. This exhibit shows how Regional Killer Boyden Gray acting as Cuomo's senile, NYS Governor Delegee, programmed

counterfeit fire laws to sabotage fire evidence, to cover up Regional Killer Boyden Gray's plotted incendiary induced gas explosions, building fires, and his plotted explosives/pyrotechnics induced state fires.

See what his senile induce gas explosion and building fire explosives are made of here:
https://www.researchgate.net/publication/227785665_Special_Materials_in_Pyrotechnics_V_Military_Applications_of_Phosphorus_and_its_Compounds
and/or
https://drive.google.com/file/d/0B4GxpI4lqlisT2x4SGIzMEg0ckE/view?resourcekey=0-zl8GamaQwqBzYv7fXkQCAA

See his unsupervised, homemade, defraud the United States laboratories, where he makes and gets his military explosives and infectious disease injection weapons, criminally used on civilians from in exhibits 38-39. These regional Killer Boyden Gray eugenic assassination programs can be executed, by NYS criminal justice, public safety, and state assembly members, enforcement of criminal penalties. Public servants, paid under, a public safety supreme law constitutional oath contract, have to stop these preventable Regional Killer Boyden Gray assassinations.

The Bronx regional incendiary induced building fires, gas explosions, and the plotted military weaponized state fires, can be stopped by arresting Regional Killer Boyden Gray for the criminal programming and plotting of military weapons of mass destruction on civilians, under the criminal insane disguise of plausible deniability. Yet, these plotted killings and induced atrocities, are really put in manifestation for him to meet his satanic killing requirements, for his criminally insane obsession with wealth and power. The more killings the more wealth he gets as exemplified in his name aligned Covid fraud trillion-dollar unsupervised money generated. Please see exhibits 31 to 38.

Please investigate Regional Killer Boyden Gray's unregulated, patterned and practiced criminal fictional administration of planting actors and actresses in key NYC agency positions, to betray the constitution and facilitate his eugenic assassination programming. Some of them are using false names, with racist connotations, that identify and taunt Regional Killer Boyden Gray's targeted prey for eugenic assassination. An example of such is:

Daniel A. Nigro

The Fire Commissioner, appointed by the Mayor of the City of New York, is the civilian administrator and head of the Department. The current, and 33rd Fire Commissioner in the Department's history, is Daniel A. Nigro. Commissioner Nigro was appointed by Mayor Bill de Blasio in 2014.

fire-commissioner - NYC.gov

This is the second, name aligned to race, commissioner whose agency was used to betray the constitution and assault people who look like the last name. I could not find the other Nigra, Regional Killer Boyden Gray used for agency hate crime administration or I would post it. I seek competent fire investigations into the recent incendiary induced building fires and gas explosions, as well as vetting, race based named commissioners, with a history of organized fraud fire administrations, that facilitate Regional Killer Boyden Gray's current, eugenic race based assassination programming's. Please see exhibits 12-19. These exhibits show that the alleged Nigra , fire Commission, was a key player in Regional Killer Boyden Gray's current, in progress, race based, military grade incendiary induced, Bronx, building fires and gas explosions.

Also, note, the above NYC fire commissioner description. It says Nigra is the CIVILIAN ADMINISTRATOR and head of the Department. This implies there is a military fire Commissioner too. The public needs transparency, particularly with all the Regional Killer Boyden Gray current, name aligned, regional incendiary induced fire killings, that have been effectuated due to past, criminal, fire plotting stratagems as noted n exhibits 12-19.

Exhibits 1-6, show Regional Killer Boyden Gray criminal assaults, terrorizations, covert attempted murders, and plotted Con Ed induce fire device planting and activation in my home. He is programming deadly terroristic incidents in my home and he is assaulting my finances, again, in an attempt to silence/cover the reporting of his

senile eugenic assassination programming's. I seek an end to Regional Killer Boyden Gray's name aligned killings, eugenic assassination programming's, and the criminal blind eye that allows this criminally senile man to continue killing innocent and healthy children and adults.

Attached as exhibit 1, you will see correspondence clarification in which I called Con Edison to report the gas in my apartment, being maliciously turned off, by the super, without my consent, or authorization, and while the bill was paid. The super, not manager, has criminally turned off my gas completely in my apartment as a form of harassment. I thought the manager ordered it, but I found out the manager has been made sick and hospitalized. Hence the super is one of Regional Killer Boyden Gray's local felon programmers and the criminal with respect to the unauthorized gas shut down. Also, to Con Edison, I was billed last month for gas. I did not and do not have gas. I had to buy electric burners and eat out to counteract this super harassment. Although, I barely use these, I had to buy them to make the place habitable. Con Edison, please credit the account for being billed for gas I do not have. I have no gas up to today and I have reported this unauthorized gas turn off harassment to authorities.

Again, Con Edison, please send a Con Edison official, to turn my gas back on with appropriate safety measures like I had before the gas line tampering and sabotage. To all officials, please note, the electricity in my apartment is being tampered with/sabotaged. January 13, 2022, I was laying down and an electrical wire, seem to be tasered/popped and black smoke was all over the room. I aired out the room and unplugged everything. The only thing connected was my printer and it was off. This was the second time out of nowhere an electrical fire was started on its own. I have lived here over 20 years, and this has never happened before. It is my contention that a Regional Killer Boyden Gray name aligned incendiary, a fire device, was criminally placed in my home and was activated by a directed energy weapon assault/tasering. I believe this is how Regional Killer Boyden Gray plotted and programmed the above noted 9 Bronx building fires and gas explosions. He is using criminals to plant military grade induce fire and explosion weapons. Thereafter he is activating the military induce fire and explosion devices with directed energy weapons, all weapons come from his exhibits 35 and 36, DEFAUD THE UNITED STATES UNSUPERVISED VIRAL KILLING GENERATED WELL FUNDED LABORATORIES. His fire and gas killing plotting steps are published in exhibits 6 –25.

He is obsessed with his toxic smoke content embedded in his killer military fire devices. He has fire devices, incendiaries created, and furniture created with incendiaries, to burn more toxic smoke than fire. The incendiary smoke content is designed to be deadlier than the fire. All of his fire and gas crimes and killings, including his fire device implantation in my home, emphasis is on the black smoke content, as the smoke is by design toxic and prepared to kill and induce unresponsiveness, for undead creations. Please see exhibit 7. Please see the reference section. He has been killing people for too long without penalty. He is 79 years old and criminally senile. He is obsessed and demon possessed with killing and is again using NYC to meet a major part of his satanic cult's massive killing requirements in exchange for temporary wealth and power.

Currently, he is programming NYS regional killings in a variety of ways. He considers himself the NYS Governor's delegee and is using this fraud to usurp control in many NY agencies, like Con Edison, and primarily all over NYC. He programs crimes top/down. Please see the below eugenic NYS legislation, he paid to get to the NYS senate, with his criminally senile, NYS Governor Delegee status., while planning to program the killing of New Yorkers under the disguise of quarantine, induced hospitalization, and public health. Please see this eugenic NYS legislation, with a 2022 notation at: https://legislation.nysenate.gov/pdf/bills/2021/a416 .

This eugenic/genocidal assassination programming includes his name aligned NYC Commissioner of Health, who works with him, and was previously kicked out of the same position by over 80,000 New Yorkers who protested her. Please read the below eugenic counterfeit NYS legislation, put in the NYS senate to induce healthy people in hospitals and quarantine centers, to torture, kill, and create prey for eugenic assassination programming, under the disguise of public health. Above all, the conspirators identified in this counterfeit legislation are all name aligned to Regional Killer Boyden Gray. Please see the programmed eugenic legislation conspiracy to murder conspirators on the below link, identified by plausible deniability positions such as the NYS Governor Delegee, the Commissioner of health, etc.: https://www.forevermissed.com/lst/m/a/mazarine-levy-snyder/d/2812302.pdf

NOTARY VERIFICATION PAGE

The counterfeit legislation with a 2022 notation allows a NYS Governor Delegee, a medical commissioner and prepared judicial trespasses, to manifest this eugenic assassination programming. Please see the counterfeit legislation here: https://legislation.nysenate.gov/pdf/bills/2021/a416.

Please see the below link, which is a November 3, 2021 verified criminal complaint, that identifies each of the conspirators/killers/criminals in the above noted A416 counterfeit and deadly eugenic assassination NYS legislation. Mary Bassett is a previously kicked out NYC Commissioner of Health.
She was booted out and protested against for her refusal to perform her public health duties in maintaining a healthy NYC Department of Health. Additionally, she was involved in the facilitation of blood rituals and sacrifices, that obstructed public health laws. Please see pages 13 and 14 on the below linked verified criminal report at: https://www.forevermissed.com/lst/m/a/mazarine-levy-snyder/d/2812302.pdf

Above and beyond, the Regional Killer Boyden Gray above noted, in writing, and attached eugenic assassination programming, under the disguise of ghost written and paid for, criminal senile NYS A416 legislation, please see the attached plotted Regional Killer Boyden Gray, name aligned, fire device induce fire killing steps, and his other eugenic assassination programs that must be made to shut down. If further information is needed, please contact me. Thank you.

THE BELOW IS THE SECOND EXTENSIVE SMOKE BURNED OUTLET IN LESS THAN TWO MONTHS. IT FELT LIKE AN INCENDIARY WAS PLACED IN THE PLUG. I NEVER SAW SOME MUCH BLACK SMOKE. I LVED HERE OVER 20 YEARS AND THIS NEVER HAPPENED BEFORE. THE SMOKE WAS CONSISTENT WITH THE BELOW RED ARROWS. IT BURNED LIKE THE EUGENIC SMOKE DESCRIBED BELOW. THAT SMALL BURN SMOKED THE WHOLE ROOM. THE MANAGER PUT A VERY GOOD SECURE DOOR IN. REGIONAL KILLER BOYDEN GRAY PROGRAMMED ITS BUST AND BREAKDOWN. HE IS CONTROLLING THIS BUILDING. HE IS STALKING AND TERRORIZING ME.
THE NEIGHBORS AND I WANT A SECURE DOOR. THE MANAGER IS ALLEGED TO BE HOSPITALIZED. REGIONAL KILLER BOYDEN GRAY IS SENDING CRIMINALS IN THE BUILDING AND MY HOME TO PLANT INCENDIARIES IN THE OUTLETS AND IN ELECTRIC CORDS, TO MAKE HIS MILITARY INCENDIARY INDUCED FIRE LOOK LIKE AN ELECTRICAL FIRE, WHEN IT IS NOT. IT IS A CRIMINALLY PLANTED INCENDIARY, PLACED IN THE HOME, BY ELECTRICAL SOCKETS, AND ACTIVATED FOR BLACK SMOKE EXPLOSIONS BY HIS CRIMINAL DIRECTED ENERGY INVISIBLE WEAPONS.

THE BELOW PHOTOED ELECTICAL DEVICE WAS PLANTED WITH AN INCENDIARY AND WAS HIT BY A DIRECTED ENERGY WEAPON THAT CAUSED THE BLACK SMOKED ROOM. THE SMOKE WAS EMPHASIZED. THE FRONT BUILDING DOOR LOCKS HAVE BEEN LEFT OPEN 24 HOURS. NO BUILDING LOCK FOR OVER 2 MONTHS. THE SAME PERIOD OF TIME MY HOME IS BEING VANDALISED AND INFESTED WITH RODENTS, AND NOW MILITAY GRADE FIRE DEVICE EXPERIMENTATION. REGIONAL KILLER BOYDEN GRAY IS TRYING TO COVERTLY PLOT ANOTHER BRONX BUILDING FIRE AS HE HAS EVERYTHING IN PLACE FOR HIS EUGENIC ASSASSINATION PROGRAMMING VIA INDUCED FIRES. SEE EXHIBITS BELOW. HE IS ALSO AFTER THE MANAGER, WHO HAS BEEN COGNIZANT OF THESE CRIMES. HE IS ALLEGEDLY HOSPITALIZED AND REGIONAL KILLER BOYDEN GRAY IS HAVING A EUGENICS FIESTA IN TERRORIZING, DESTROYING, VANDALIZING AND MAKING PEOPLE SICK INTHE BUILDING. ALMOST EVERYONE HAS A LIMP THAT NO ONE CAN EXPLAIN. THE NO HEAT IS ANOTHER PLOT USED FOR TENANTS TO USE HEATERS AND OTHER SOURCES TO WARM THE APARTMENT. HE WANTS AN EXCUSE TO ACTIVATE HIS PLOTTED MILITARY DEVICE IMPLANTATIONS IN THE BUILDING FOR A BUILDING FIRE AND GAS EXPLOSION. BUT GOD!

NOTE REGIONAL KILLER BOYDEN GRAY INDUCE FIRE PATTERNS. PERHAPS THE RECENT OTHER BRONX BUILDING BURNING, HAD NO BUILDING LOCKS TOO, RIGHT BEFORE THE INDUCED BUILDING FIRES AND GAS EXPLOSIVES. THE NO DOWNSTAIRS LOCK IS PART OF REGIONAL KILLER BOYDEN GRAY PROGRAMMING. HE IS SENDING PEOPLE IN THE BUILDING AND IN APARTMENTS FOR HIS BELOW, NAME ALIGNED, IN WRITING CON ED PLOTS. HE IS SENILE AND OBSESSED WITH CONSPIRACIES TO MURDER AND THE MANIFESTATION OF HIS NO PENALTY YET, KILLINGS AND UNDEAD CREATIONS VIA INDUCED FIRES.

Extensive reviews on the chemistry and the military applications of phosphorus and its compounds [10,11], and on the toxicity of RP and RP-based smokes [7] have been published. In general, the high phosphoric acid content of the smoke has been regarded as being the main reason for the adverse health effects [7]. "*

C. Boyden Gray delivers keynote at American Gas Exports symposium

C. Boyden Gray, founding partner of Boyden Gray & Associates, delivered a keynote for the "American Gas Exports: Regulation, Finance, & International Trade" symposium on February 16.

REGIONAL KILLER C. BOYDEN GRAY

The symposium invited experts from the federal government, private firms, and academia to delve into the logistics of bringing American gas to market, clarify the international trade issues posed by America's international trade agreements, and discuss the limits of what the government should approve in the public interest.

Gray is the former US Ambassador to the European Union (2006-2007) and former Special Envoy for Eurasian Energy Diplomacy (2008-09). He also served as White House counsel to President George H.W. Bush from 1989 through 1993. In this role, he became a key architect of the 1990 Clean Air Act Amendments, including the development of a cap-and-trade system for acid rain emissions. He was also involved in creating the Energy Policy Act of 1992

Fire Debris Analysis Evidence Packaging

Overuse of Evidence Tape on Fire Debris Containers

During fire debris analysis, certain types of evidence sealing tapes displayed patterns that were similar to a known ignitable liquid. This finding was attributed to excessive amounts of tape used to package the evidence containers. The excess adhesive can make its way into the sample when chemists physically examine the sample prior to analysis. This interference can potentially cause misinterpretations of the data and/or misleading reports.

Prevention:

- Avoid sealing cans all the way around the circumference of the lid.
  - The tape is not meant to be used as a vapor-tight seal.
- Only use one line of tape across the top of the can.
  - The tape is used to indicate there was no tampering with the can in the time period between collection and analysis.
  - Ensure that the lid closed completely. Use caution in closing with hammers and mallets as they can create leaks in the seal
- Whenever new tapes are purchased for use, submit a sample for testing to the laboratories
  - This allows fire debris analysts to be aware of any patterns that can be attributed to the tape.
- Avoid taping any arson bags used to secure evidence.
- Do **NOT** store evidence tape or other items inside the evidence container.

Crowd Manager Training

Who or What is a Crowd Manager?

A crowd manager can be a manager, supervisor or other employee of a venue such a bar, theater, nightclub, school, arena, or anyone hosting large crowds.

The duties of crowd managers include conducting an inspection of their area of responsibility to identify and address any obstructions or barriers to exits and to direct and assist event attendees in evacuation during an emergency.

It's important to understand that the fire code requirement for crowd managers doesn't mean that business owners have to hire more people, rather, the idea is that existing employees be trained in crowd management.

Why Are Crowd Managers Required?

Tragic events have shown us fire isn't the only thing that can cause a rush to the emergency exits. It is important that employees are trained appropriately to manage crowds in an emergency. In most cases having properly trained staff can save lives.

The NYS Emergency Services Revolving Loan Program

Information for Individual Applicants

The New York State Emergency Services Revolving Loan Account was established under 97-pp of the State Finance Law to make loans to cities, villages, fire districts, counties, and towns and not-for-profit fire/ambulance corporations at an annual fixed interest rate of 2.5 percent. Principal and interest payments made by recipients are deposited in the Revolving Loan Account and loaned once again to new applicants. Therefore, funding levels in the account will vary throughout the year depending upon the amount of repayment money, interest accrued, and number of new loans made.

Please do not consider this program your sole source of financing, and use some long-range planning when submitting a request. Sufficient funds **are not** always available to cover all approved requests at the time of a meeting; and, therefore, some loan requests may be approved pending the availability of funds. All applicants will be notified in writing as to the status of their request, and money will be paid out as cash becomes available.

Who May Apply?

A city, village, fire district, or incorporated not-for-profit fire/ambulance company is eligible to apply for a loan. Where a fire protection district exists, a town or a county may apply subject to the limitations specified in Town Law 184 and County Law 225-a.

What Purposes Are Covered Under The Loan Program?

1. **Firefighting apparatus**
   Elevated equipment, pumpers, tankers, ladder trucks, hazardous materials emergency response vehicles, or other such specially equipped motor vehicles used for fire protection, together with the fixtures and appointments necessary to support their functions.
   Amount: $375,000 or 75 percent of cost, whichever is less
2. **Ambulances or rescue vehicles**
   Motor vehicles equipped and used to support fire and emergency services operations; includes a vehicle specifically for carrying accessory

Counterfeit N95 Respirator Announcement

Please find a Counterfeit N95 Respirator Announcement below from NIOSH NPPTL. Please be sure to visit their webpage for more information on counterfeit respirators:
www.cdc.gov/niosh/npptl/usernotices/default.html#Counterfeit%20Respirators

Respirator Buyers Beware

NIOSH has become aware of a counterfeit N95 Respirator on the market. The manufacturer Zubi-Ola is selling N95 respirators and marketing them as NIOSH-approved even though Zubi-Ola is not a NIOSH approval holder or a private label holder. In addition, NIOSH was made aware of manufacturers misrepresenting the NIOSH-approval. These manufacturers include:

1.) Wein Products- All approvals for Wein Products were rescinded in 2011. However, the manufacturer's website continues to state the ViraMask N99ESC is certified by NIOSH. View the user notice announcing then rescission.
www.cdc.gov/niosh/npptl/usernotices/notices/notice08262011.html

2.) Steelpro Safety- Steelpro Safety is a private label holder of Fido Masks. In 2014, Fido rescinded the certificates of approval for their respirators, but Steelpro's website continues to state that respirator models, F720V and F333V, meet NIOSH standards. View the user notice announcing the rescission

3.) Handan Hengyong- All certificates of approval for Handan Hengyong were voluntarily rescinded [illegible] 2014. Handan Hengyong continues to include information on its website misleading

FIRES PLOTTED FOR REGIONAL KILLER BOYDEN GRAY EUGENIC ASSASSINATION PROGRAMMING

From: MIRIAM SNYDER <mirisni@aol.com>
Subject: INQUIRY: WHAT IS A STATE FIRE AND WHY IN HISTORY HAS THIS CRIMINAL PHENOMENA NEVER EXISTED BEFORE?
Date: October 23, 2016 at 3:03:52 AM EDT
To: fire@dhses.ny.gov

I would like information on what is a state fire and what is a state fire office? Why has this not been needed before? What calls for such programming today? Was this State fire office constructed on behalf of psychic programming? What is this office doing to prevent a terroristic, treasonous, plotted state fire, administered to induce injuries and advance criminal organ harvesting in hospitals? I look forward to your reply. Thank you.

Jan. 12, 2022

The three companies that own the 19-story apartment building in the Bronx where a smoky blaze killed 17 people on Sunday have all been aggressively acquiring apartment complexes with many lower-income tenants who used rental vouchers.

The three companies — LIHC Investment Group, Belveron Partners and Camber Property Group — purchased the building, Twin Parks North West, along with seven other affordable-housing buildings in the Bronx in 2019 for $166 million.

LIHC and Belveron own buildings in New York and elsewhere, and control a combined 80 percent of the Bronx building, but it was Camber that was responsible for day-to-day operations. The fire was started by a space heater that had been running for several days in the bedroom of a third-floor apartment, fire officials said. As residents fled, the apartment's front door should have closed automatically but did not, allowing smoke to spread and engulf the building.

Extensive reviews on the chemistry and the military applications of phosphorus and its compounds [10,11], and on the toxicity of RP and RP-based smokes [7] have been published. In general, the high phosphoric acid content of the smoke has been regarded as being the main reason for the adverse health effects [7]. "*

Twins Study - Snyder (HERO Twin Astronaut Study Consortium (TASC) Project: Longitudinal Integrated Multi-omics Analysis of the Biomolecular Effects of Space Travel)

Relevance: 100%

Although identical twins are genetically almost the same, differences in environment, diet and other outside factors can affect their health in different ways. The Twins Study is an integrated compilation of ten studies at multiple research centers that examines the effects of space travel on twin astronauts, one of whom stays on the International Space Station for one year while his twin remains on Earth. HERO Twin Astronaut Study Consortium (TASC) Project: Longitudinal Integrated Multi-omics Analysis of the Biomolecular Effects of Space Travel (Twins Study – Snyder) analyzes all biomedical and molecular data collected by the other nine Twins Study researchers to produce the single most comprehensive view of how the human body responds to the rigors of spaceflight.

Relevance: 57%

The HICO and RAIDS Experiment Payload - Hyperspectral Imager for the Coastal Ocean (HREP-HICO) uses a special camera that separates light into hundreds of wavelength channels, which reveals information about the composition of water and land along the coasts. Each scene covers an area of about 30 miles by 125 miles, which captures features like river outflow plumes or algae blooms, and lets scientists do environmental characterization of coastal regions.

Responding Justly to Patients Harmed by Medical Care: Disclosure, Compensation, and Litigation.

http://www.investigatorawards.org/downloads/research_in_profiles_iss23_**may2008.**pdf

The Institute of Medicine's 2000 report, **To Err Is Human,** and the widespread media attention it received, dramatically increased awareness of the extent of **medical mistakes in U.S. hospitals.** Since then, a number of states and national quality organizations have adopted policies requiring or encouraging medical professionals to tell patients and families when unanticipated "adverse events" occur. Some organizations and insurers have gone even further by adopting programs through which disclosures of adverse events are accompanied by offers of compensation (known as disclosure and offer or D&O programs). Still, prompt disclosure of **medical errors** and fair compensation remain the exception rather than the rule. Thomas H. Gallagher, M.D., associate professor of medicine at the University of Washington, and **Michelle M. Mello**, J.D., Ph.D., M.Phil., **C. Boyden Gray** Associate Professor of Health Policy and Law at the Harvard School of Public Health, seek to more fully understand the effects of disclosure initiatives and innovative D&O programs on malpractice costs and patients' access to compensation. Their project, Responding Justly to Patients Harmed by Medical Care: Disclosure, Compensation, and Litigation, explores how policy levers can be used to make disclosing errors more routine and evaluates the design and effectiveness of D&O programs.

Dear Raymour and Flanigan President Mr. Goldberg:

Please see the attached police report published at:
https://archive.org/details/january-18-2022-regional-killer-boyden-gray-bronx-induced-fires-and-multifacted-
OR
https://drive.google.com/file/d/1malX5-5GXUFoaxTgG1DnsMlX0bDK2mHz/view?usp=sharing

I am a crime victim and I must guard myself from further victimization. Hence, I write this letter in good faith and for the purposes set forth. Foremost, two new sofas were sent to my home, as part of the Platinum Protection package I paid for in 2017. No Raymour Flanigan receipt was involved acknowledging the 2 new sofas brought to me in exchange for my older sofas. This bothered me. Also, I was going to exchange my chaise for a recliner. The differential was $200.00. The receipt sent to me for such eliminated, more specific, it did not identify the store selling me the recliner. This bothered me too and created questions regarding furniture authenticity, safety, and store accountability. It looked like someone was programming no evidence of the alleged new furniture I was buying and exchanging. Please see the attached new receipt with no mention of the Yonkers Raymour Flanigan store.

I am canceling the additional recliner sale at this time due to the situation I have been placed in as described below. Please send me an email notifying me of the $200.00 return. Also, please send me the fully disclosed Platinum Protection package contract in writing so I can be clear about this new furniture offered in exchange for my old furniture. I received the 2 new sofas. They feel different from my old sofas. They are very rubbery and look overly fluffy. They look flammable, as if they are ready to explode. See attached picture. When I bought the furniture previously, it did not look like this.

Please read the attached criminal report affidavit. In summary, all of my business affairs have been criminally intercepted by this criminally senile 79-year-old killer who needs to be arrested but unfortunately is still a senile psychopathic lawyer. He specializes in programming regional killings. Please see the exhibits attached. He has multitudes of unregulated eugenic, induce sickness, killing programs.

At present he is plotting, and programming incendiary induced building fires and gas explosions in the Bronx. Please see exhibit 20 and the below paragraph. Until criminal justice authorities arrest this psychopath, C. Boyden Gray, who is stalking and trying to have me killed, I cannot move on the new and exchange furniture deal at this time. I believe, the furniture sent to me is questionable, as noted above and is part of his criminally insane, not regulated yet, criminal usurpations, stalking's and terrorizations. His induce fire and gas explosion plots have effectuated the killing of many innocent and healthy people. I cannot have any more questionable and unaccountable new furniture placed in my home, at this time.

In the attached documents, you will find information showing that this psychopath and regional killer, C. Boyden Gray, is programming multiple killing projects. Currently, ne of his killing programs, is burning buildings down in the Bronx, and making money off of killing and induce hospitalizing healthy people. His current targeted region is the Bronx. He is making deals with mattress and furniture companies to sell furniture and mattresses with specific types of material, and rubber that facilitates fire and smoke escalations in building apartment fires. Above all, he may be planting his name aligned, unregulated and unsupervised incendiary fire devices in furniture from the furniture development/creation/manufacturer level.

The bottom line is his military grade incendiaries, induce fire explosives, are not being supervised and are in the hands of a psychopath with unsupervised Covid trillions of dollars money and should not be. I can not chance the possibility of incendiary prepared new furniture, to compliment Regional Killer Boyden Gray, name aligned, and manifested Con Ed plotted fire device induced gas explosions and building fire killings.

The planting of incendiaries in alleged new furniture, readily available for me, while exposing a no penalty regional killer, is not unheard of because the incendiaries should be off the market and they are not. They are in the hands of and accessible to a documented, criminally insane, no penalty, regional killer, named C. Boyden Gray.

Until the military grade fire device induced fires are stopped, I cannot put additional new rubbery furniture in my home. Please refund the $200.00 back on my card for the additional recliner I was going to get. Please leave my claim open for the Chaise and the Ottoman until a police investigation is completed. I am an attempted murder crime victim whose home is being set up for a Regional Killer Boyden Gray, replicated, plotted, all fire crimes in place, incendiary induced fire. This has to be dealt with. Regional Killer Boyden Gray crimes and killings are no longer in his secrecy mode.

Please see exhibit 6 in this affidavit. You will see his other Bronx building incendiary induced apartment fires he has started in the Bronx, to make money off of killing and burning people out of house and home, to create disenfranchised populations of people , for easy prey for his eugenic assassination programs, disguised as human research.

Please see: Landlords of Bronx Building Were Buying Up Affordable Housing in New York The companies purchased Twin Parks North West, the Bronx building where there was a deadly fire, along with seven other buildings in the borough for $166 million.

Please see the eugenic smoke he has engineered via the placement in incendiaries and other fire devices, toxic smoke inhalants, to kill, harm, injure, and make humans unresponsive for his plotted induce hospital medical error assassination programs. The fire devices are loaded with toxic smoke content.

- *"In ammunition, RP is usually mixed in various matrices such as epoxy binders and butyl rubber, the pyrolysis products of which also appear in the smoke. Extensive reviews on the chemistry and the military applications of phosphorus and its compounds [10,11], and on the toxicity of RP and RP-based smokes [7] have been published. In general, the high phosphoric acid content of the smoke has been regarded as being the main reason for the adverse health effects [7]. "*

In closing, at this particular time, until the safety of the people is prioritized, and safeguarded from Regional Killer Boyden Gray's eugenic, genocidal, treasonous, and multiple killing programs, I must refrain from receiving additional furniture, ready for me, stuffed with rubber and other unidentifiable entities, as I am better safe than sorry. I urge all readers to read this affidavit carefully, and forward to criminal justice authorities across the nation, until Regional Killer Boyden Gray's constant and continued, unregulated, eugenic assassination programming's are stopped. His name aligned Con Ed plotted gas and fire building killings is only one of his several eugenic assassination programs. He must be made to stop killing innocent and healthy people, without penalty. Knowledge is power. The life you save may be your own. Please read all of this affidavit and please forward the requested fully disclosed Platinum Protection contract and confirmation of the returned $200.00. I have attached one picture of the new overly fluffed sofa Raymour Flanigan agents put in my home, and two receipts, showing the 2017 receipt with the store's identification and the other 2022 receipt with no store identification, whatsoever. Thank you for your time.

https://drive.google.com/file/d/1GXH1aDprGC69uh-LPH82hIogTKlfrAW1/view?usp=sharing

They, regional killers Boyden Gray and Mary Bassett, have been given unwarranted criminal power to use NYC medical and dental entities for their patterned and practiced murder by proxy programming's and infectious disease injection disseminations. Mary Bassett is a known corrupted, infectious and deadly medical commissioner and regional killer Boyden Gray is a known, deadly, 79, year old senile, eugenicist, specializing in regional killings, and is identified in the a416 eugenic legislation as a NYS governor designee.

Their regional killings, infestations, and plots for more massive killings of New Yorkers have to be stopped, on behalf of public safety, common sense, public health laws, and criminal justice penalty enforcement for crimes and killings, already committed. Please see the below link at:

If you are in court, look up your judge carefully. Demand authentication of the judge's credentials. Hire a private investigator. This eugenic cult is moving in actors and actresses as judges, because in NYS no one is vetting judges, for the sole purpose of criminally insane, eugenic assassination programming. Please see page 62, in the below link. This page shows the leader in these deliberate medical malpractice crimes, his name is C. Boyden Gray. He is a documented eugenicists and regional killer. He kills massively by regions under the disguise of medical phenomena. He targets people of color first, for eugenic killing practice, thereafter he kills babies, pregnant women, healthy women and men as a whole.
